

Delivery Options

More Than Gifts will still offer a range of delivery options.

Our product prices include free delivery which will usually be sent via Royal Mail second class / standard parcels depending on weight.

Customers may upgrade to first class / recorded delivery for a small additional charge.

These services may be affected by the Royal Mail strike action and therefore take longer to arrive at their destination.

We also offer a courier service option (2 – 4 days delivery) for the reduced cost of £3.99.

If your order is urgent, Royal Mail is still offering their Special Delivery service (“guaranteed next day”) but **can not** guarantee that it will be delivered on a ‘strike action’ day.

These delivery options are available as you proceed through checkout.

Thank you.
